Docket 04-00150

**BELLSOUTH TELECOMMUNICATIONS, INC.'S MOTION TO  
COMPEL DISCOVERY RESPONSES FROM  
BIRCH TELECOM**

BellSouth Telecommunications, Inc. ("BellSouth") files this *Motion to Compel Discovery Responses from Birch Telecom* ("Birch") and respectfully shows the Tennessee Regulatory Authority ("Authority" or "TRA") as follows:

**DISCUSSION**

On January 7, 2005, BellSouth responded to CompSouth's discovery in this docket and provided CompSouth more than 6,000 pages of responsive documents. BellSouth took the responsibility of discovery seriously: investing hours of time to search for and review information.

On the day that BellSouth electronically served the parties and the TRA with this voluminous amount of information in response to discovery, BellSouth received in turn, from Birch, precisely nothing at all. Unlike CompSouth, Birch did not even submit objections to the discovery. Rather, Birch ignored the discovery.<sup>1</sup>

---

<sup>1</sup> CompSouth clearly asserted that it was not required to answer for Birch and made no reference to interposing objections related to the individual discovery served on Birch. These parties cannot have it both ways.

Obviously, the TRA convened this docket and instructed the hearing office to set a schedule so that this case could proceed. Birch's failure to respond to discovery – or even acknowledge it – obstructs the process of this docket and it should not be tolerated.

As Birch has interposed no objections, an order compelling its responses to all the discovery propounded by BellSouth is warranted.

For the reasons articulated above, BellSouth respectfully seeks an order requiring Birch to answer all discovery propounded in *BellSouth's First Set of Interrogatories to Birch Telecom*<sup>2</sup> in full.

Respectfully submitted,

BELLSOUTH TELECOMMUNICATIONS, INC.

If such prior response does not respond to the Interrogatory contained below in its entirety, you should provide all additional information necessary to make your answers to these Interrogatories complete.

### **INTERROGATORIES**

1 State each example of BellSouth's performance in its wholesale service of any kind that you will contend in this docket has declined in quality since BellSouth obtained 271 relief in Tennessee. For each such example, provide the basis for your

contention, including all examples of specific instances of performance issues of which you are aware, and, if your contention is based on any fact other than your company's own experience, state the source of such information, including the company involved.

2. Identify each SEEM penalty payment you have received in the last twelve months, and, for each payment, describe in detail how such payment relates to actual harm sustained by your company as a result of the wholesale service measured by the particular benchmark for which the SEEM payment was provided.

3. State the percentage of your company's Tennessee (intra-state) revenue represented by Tennessee SEEM payments for each calendar year beginning in 2002.

4 Identify all CLEC customers (if any) that you contend you have lost as a result of the quality of wholesale service provided by BellSouth, and for each such customer, identify the service issue you believe caused the loss.

5. Do you contend that your company has sustained harm to its reputation as a quality local service provider as a result of BellSouth's wholesale performance. If your answer is anything other than an unqualified "no", then state all facts, including all specific customer information, on which your contention is based.

6. If you contend that there have been instances where BellSouth erroneously reported that a trouble has been repaired and the trouble ticket closed, yet your customer still did not have service, please provide the trouble ticket number, date of ticket closure and line or circuit identifier for each instance.

7 Identify all damages (if any) you have sustained that arise out of the quality of wholesale service provided by BellSouth pursuant to the Plan.

8. Quantify all damages (if any) you have sustained that arise out of the quality of wholesale service provided by BellSouth pursuant to the Plan.

9. Describe in detail all examples of CLEC customers that you contend have been negatively impacted by service provided by BellSouth for each SEEM submetric that is associated with:

- (i) Troubles Within 30 days of Provisioning
- (ii) Repeat Troubles Within 30 Days
- (iii) Customer Trouble Report Rate
- (iv) Missed Repair Appointments
- (v) Inability To Test Line Shared Loops
- (vi) Premature Trouble Closure
- (vii) Any other measure (list specific measure)

10. Describe in detail all examples of CLEC customers that you contend have been negatively impacted by service provided by BellSouth in any function not currently reflected in the SQM or SEEM.

11. If you contend that BellSouth is "backsliding" (providing service inferior to that service provided when BellSouth received 271 relief) in the quality of wholesale service in Tennessee, describe in detail all such instances you contend to be examples of "backsliding".

12. Identify each specific provision of BellSouth's SQM and SEEM proposal filed on May 13, 2004 to which you object and the nature and reason for the objection.

13. If you contend that the Plan's scope should be extended beyond ensuring BellSouth's continued compliance with obligations arising under Section 251, please

identify all legal authority, including but not limited to case law, orders, and statutes, that supports your contention.

14. Have you developed an alternative performance assessment plan for BellSouth in Tennessee? If so, please provide all information that describes the alternative plan

15. Identify all amounts that you have paid to any customer as a result of service issues you contend to have arisen out of quality of wholesale service provided by BellSouth pursuant to the Plan.

16. Do you agree that an enforcement plan should have both positive incentives and negative consequences? If not, why not?

17. Compare the amounts paid to you under the Tennessee SEEM plan to the amounts paid in each other state outside of BellSouth's region where you have operations. The amounts should be stated in total and per access line you serve in that state.

#### **REQUESTS FOR PRODUCTION OF DOCUMENTS**

1 Produce any documents relied upon in responding to First Set of Interrogatories.

2. Produce any documents identified in responses to BellSouth's First Set of Interrogatories.

3. Produce all documents in your possession relating to SEEM penalties received by your company since the adoption of the Tennessee plan, including but not limited to any budgeting or financial planning documents or forecasting materials.

4. Produce all internal communications discussing or relating in any way to BellSouth's wholesale performance.

5. Identify and produce all correspondence in your possession regarding BellSouth's wholesale performance from 2002 to present.

6. Produce any alternative performance assessment plan or recommendations that you have developed.

7. Produce any draft or partial alternative performance assessment plan that you have discussed or considered in any of Bellsouth's region (Tennessee, Florida, Georgia, Kentucky, North Carolina, South Carolina, Alabama, Louisiana and Mississippi).

8. Produce all contract and tariff provisions that relate to your company's obligations (if any) in the event that your customer sustains a service interruption or otherwise sustains a derogation of service.
